### Independent Auditor's Report

### To the Members of Council, Inhabitants and Ratepayers The Corporation of the Township of Red Rock

We have audited the accompanying consolidated financial statements of The Corporation of the Township of Red Rock, which comprise the consolidated statement of financial position as at December 31, 2014 and the consolidated statements of operations and accumulated surplus, change in net financial assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

### Independent Auditor's Report (cont'd)

### **Basis for Qualified Opinion**

The Township has not determined the liabilities which will be associated with the closure and post-closure costs of its solid waste disposal facilities and, consequently, no provision for these liabilities has been made in these financial statements. Canadian public sector accounting standards require that a provision for closure and post-closure costs be provided for in the financial statements. This is a result of a decision taken by management in a prior year. Since we have been unable to obtain satisfactory evidence as to these liabilities, we are unable to estimate the related effect on liabilities, annual surplus and accumulated surplus for the years ended December 31, 2014 and 2013. Our audit opinion on the financial statements for the year ended December 31, 2013 was modified accordingly because of the possible effects of this limitation in scope.

### **Qualified Opinion**

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of The Corporation of the Township of Red Rock as at December 31, 2014 and the results of its operations and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

#### December 31, 2014

### 1. Significant Accounting Policies

Management's
Responsibility for
the Financial
Statements

The consolidated financial statements of the Township are the responsibility of management. They have been prepared in accordance with Canadian generally accepted accounting principles established by the Public Sector Accounting Board of Chartered Professional Accountants Canada. The Corporation of the Township of Red Rock (the "Township") is a municipality in the Province of Ontario and operates under the provisions of Provincial statues, such as the Municipal Act and related legislation. The Township provides municipal services such as protection to persons and property, public works, planning, recreation and other general government services.

### Reporting Entity

The financial statements reflect the assets, liabilities, revenue and expenses of all municipal organizations, committees and Boards which are owned or controlled by the Township. The following entities have been consolidated:

Waterworks Utility Red Rock Public Library Board

All inter-entity transactions and balances have been eliminated with the exception of loans or advances between reserve funds and any other fund of the Township and the resulting interest income and expenditures.

A government partnership exists where the Township has shared control over the board or entity. The Township's pro-rata share of the assets, liabilities, revenues and expenditures is reflected in the financial statements using the proportionate consolidation method. There are no joint local boards accounted for in this manner in these financial statements.

The Township contributes to the following joint local boards, which are not proportionately consolidated in these statements:

Thunder Bay District Health Unit Thunder Bay Area Emergency Measures Organization Thunder Bay District Social Services Administration Board

### Cash and Cash Equivalents

Management considers all highly liquid investments with maturity of three months or less at acquisition to be cash equivalents.

### Short Term Investments

Portfolio investments are recorded at cost unless there has been a decline in the market value, which is other than temporary in nature, in which case the investments are written down to market value.

### December 31, 2014

### 1. Significant Accounting Policies (cont'd)

#### **Inventories**

Inventories held for consumption are recorded at the lower of cost and net realizable value.

### Accounting for School Board Transactions

The Township collects taxation revenue on behalf of the school boards. The taxation, other revenue, expenditures, assets and liabilities with respect to the operations of the school boards are not reflected in the current fund balances of these consolidated financial statements. Education taxes collected by the Township and over-remitted or not remitted to the respective school boards as at December 31 are reported on the consolidated balance sheet as due to/from school boards.

## Tangible Capital Assets

Tangible capital assets are recorded at cost less accumulated amortization. Cost includes all costs directly attributable to acquisition or construction of the tangible capital asset including transportation costs, installation costs, design and engineering fees, legal fees and site preparation costs. Contributed tangible capital assets are recorded at fair value at the time of the donation, with a corresponding amount recorded as revenue. Amortization is recorded on a straight-line basis over the estimated life of the tangible capital asset commencing once the assets are available for productive use as follows:

Land improvements - 20 years
Buildings - 15 to 60 years
Equipment - 3 to 40 years
Linear assets - 15 to 75 years
Vehicles - 5 to 20 years
Other, including collections - 10 years

Assets under construction are not amortized until the asset is available for use.

#### **Trust Funds**

Any funds held in trust by the Township, and their related operations, are not included in these financial statements. The financial activity and position of the trust funds are reported separately.

# Retirement Benefits and Other Employee Benefit Plans

The Township is an employer member of the Ontario Municipal Employees Retirement System (OMERS), which is a multi-employer, defined benefit pension plan. The Board of Trustees, representing plan members and employers, is responsible for overseeing the management of the pension plan, including investment of the assets and administration of the benefits. The Township records pension expense when contributions are due.

### December 31, 2014

### 1. Significant Accounting Policies (cont'd)

**Deferred Revenue** Funds received for specific purposes which are externally restricted by legislation, regulation or agreement and are not available for general municipal purposes are accounted for as deferred revenue on the consolidated statement of financial position. The revenue is recognized in the consolidated statement of operations in the year in which it is used for the specified purpose.

### Government **Transfers**

Government transfers, which include legislative grants, are recognized in the financial statements in the period in which events giving rise to the transfers occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amount can be made.

### Revenue Recognition

Charges for water and sewer usage are recorded as user fees on the basis of consumption. Connection fee revenues are recognized when the connection has been established.

Sales of goods and services are recognized when title is transferred or the services-are rendered. Other revenue is recognized on an accrual basis.

#### **Taxation Revenue**

Taxes are recorded at estimated amounts when they meet the definition of an asset, have been authorized and the taxable event occurs. For property taxes, the taxable event is the period for which the tax is levied. Taxes receivable are recognized net of an allowance for anticipated uncollectable amounts.

#### Use of Estimates

The preparation of financial statements in accordance with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from management's best estimates as additional information becomes available in the future. Significant estimates in these financial statements include assumptions used in estimating provisions for doubtful taxes and accounts receivable, useful lives of tangible capital assets, and landfill closure and post closure liabilities.

### December 31, 2014

#### 2. Cash

The Township's bank accounts earn interest at an effective interest rate of 1.5%.

The Township's credit facilities include a \$300,000 overdraft protection which carries interest at prime plus 0.75%. As at December 31, 2014, the Township utilized \$nil (2013 - \$nil) of this facility. The prime rate was 4.0% at December 31, 2014.

#### 3. Short Term Investments

Short term investments have a market value of \$206,933 (2013 - \$201,077) and is comprised of a O.N.E. Bond Fund with an effective interest rate of 2.71% (2013 - 2.98%). Interest is accrued on a monthly basis. Fair value is considered to approximate market value.

### 4. Vested Sick Leave Liability

Under the sick leave benefits plan, unused sick leave can accumulate and employees may become entitled to a cash payment when they leave the Township's employment.

The liability for these accumulated days, to the extent that they have vested and may be taken in cash by an employee on retirement, amounted to \$101,512 (2013 - \$99,771) at the end of the year.

Anticipated payments to employees who become eligible to retire are:

2015 Subsequent to 2016	\$ 30,544 70,968
	\$ 101,512

### December 31, 2014

### 5. Long Term Debt

Ontario Infrastructure Debenture
Loan, unsecured, repayable \$17,470 semi-annually, including interest at 3.49%, maturing 2033

### **December 31, 2014**

### 9. Employee Benefits Plan Liability

The Township makes contributions to the Ontario Municipal Employees Retirement Fund (OMERS), which is a multi-employer plan, on behalf of its full time staff. The Plan is a defined benefit plan, which specifies the amount of the retirement benefit to be received by the employees based on the length of service and rates of pay. OMERS provides pension services to more than 451,115 active and retired members and approximately 974 employers. Each year an independent actuary determines the funding status of OMERS Primary Pension Plan (the Plan) by comparing the actuarial value of invested assets to the estimated present value of all pension benefits that members have earned to date. The most recent actuarial valuation of the Plan was conducted at December 31, 2014. The results of this valuation disclosed total actuarial liabilities of \$77.3 billion (\$73 billion in 2013 ) in respect of benefits accrued for service with actuarial assets at that date of \$70.2 billion (\$64.4 billion in 2013 ) indicating an actuarial deficit of \$7.1 billion (\$8.6 billion in 2013 ). Because OMERS is a multi-employer Plan, any pension plan surpluses or deficits are a joint responsibility of Ontario municipal organizations and their employees. As a result, the Township does not recognize any share of the OMERS pension surplus or deficit. Contributions made by the Township to OMERS with respect of the employee and employer portions for 2014 was \$128,015 (\$119,415 in 2013 ), which is included as an expenditure on the consolidated statement of operations and accumulated surplus.

#### 10. Policing

The Township entered into an agreement for policing service from the Ontario Provincial Police effective September 1, 2010 and continuing until August 31, 2015. This contract was terminated by the Ministry of Community Safety and Correctional Services effective December 31, 2015. The OPP continues to provide the service with the annual cost being based upon the Province of Ontario's budgeted expenses for the Township.

### 11. Public Sector Salary Disclosure Act

For 2014, no employees of the Township were paid salaries of \$100,000 or more, as defined in the Public Sector Salary Disclosure Act, 1996.

### December 31, 2014

### 12. Budget

Under Canadian public sector accounting standards, budget amounts are to be reported on the consolidated statements of operations and change in net financial assets for comparative purposes. The 2014 budget amounts for the Township approved by Council have been restated to conform to the basis of preparation of the revenues and expenses on the consolidated statements.

### 13. Segmented Information

The Corporation of the Township of Red Rock is a diversified municipal government institution that provides a wide range of services to its citizens. Distinguishable functional segments have been separately disclosed in the segmented information. The nature of the segments and the activities they encompass are as follows:

### a) General Government

This area relates to the operations of the Municipality itself and cannot be directly attributed to a specific segment.

### b) Protection to Persons and Property

Protection is comprised of police services, fire protection and ambulance services. The police services work is to ensure the safety and protection of the citizens and their property. The fire department is responsible for providing fire suppression service, fire prevention programs, training and education. The members of the fire department consist of volunteers. The ambulance service transports the injured to the hospital and provides emergency medical care to those in distress.

#### c) Transportation Services

Transportation is responsible for providing the Municipality's road maintenance services.

#### d) Environmental Services

Environmental services provides waste disposal services to citizens as well as maintaining the Municipality's sewer and drinking water systems. They process and clean sewage and ensure the Municipality's water system meets all Provincial standards.

### e) Health Services

Health services are comprised of public health services, which work to improve the overall health of the population and overcome health inequalities by providing services to individuals and the community.

### December 31, 2014

### 13. Segmented Information (cont'd)

### f) Social and Family Services

Social service provides services that are meant to help the less fortunate in society. Social housing is provided to help shelter families and elderly in need.

### g) Recreational and Cultural Services

This service area provides services meant to improve the health and development of the Municipality's citizens. Recreational and cultural programs such as, swimming and skating lessons and English as a second language are provided at arenas, aquatic centres and community centres. Also, the Municipality provides library services to assist with its citizens' informational needs.

### h) Planning and Development

This department provides a number of services including municipal planning, maintenance and enforcement of building and construction codes, and review of all property development plans through its application process.

The accounting policies of the segments are the same as those described in the summary of significant accounting policies.

## Independent Auditor's Comments on Supplementary Financial Information

To the Members of Council, Inhabitants and Ratepayers The Corporation of the Township of Red Rock

We have audited the consolidated financial statements of The Corporation of the Township of Red Rock, which comprise the consolidated statement of financial position as at December 31, 2014 and the consolidated statements of operations and accumulated surplus, change in net financial assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information, and have issued our report thereon dated September 8, 2015, which contained a qualified opinion on those financial statements. The audit was performed to form an opinion on the consolidated financial statements as a whole. The supplementary financial information is presented for the purpose of additional analysis and is not a required part of the consolidated financial statements. Such supplementary information is the responsibility of management and was derived from the underlying accounting and other records used to prepare the consolidated financial statements.

The supplementary information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such supplementary information directly to the underlying accounting and other records used to prepare the consolidated financial statements, or to the consolidated financial statements themselves.
