The Township has received \$1,000 through the 2020 Spring Cleanup Grant Program from the Trans Canada Trail.

The Ministry of Environment Conservation and Parks (MECP) has ultimately decided to proceed with urgent repairs to the Camp 43 Dam. The Ministry will not be proceeding with the proposed partial demolition of the dam and the construction of a new multi-purpose barrier at the Camp 1 site.

Live from the Rock has made the decision to cancel the 2020 Folk Festival due to the current pandemic.

No other business arose from the correspondence.

REPORTS OF OFFICERS

Chief Administrative Officer

The CAO asked Council to review his written report after the other officer's reports were gone through, as there was much to discuss and elaborate on regarding the 2020 Budget.

The legal process of action on the Mill Property is at a standstill as the Courts are closed due to Covid-19.

Conference meetings with staff and the Emergency Management Control Group are conducted weekly to keep everyone informed and updated on current provincial requirements.

Payments for payroll and operations were submitted for approval.

Prior to the meeting, Council received a review of departmental breakdowns for 2019. The breakdown showed thorough figures of expenses and revenues for each department.

Council also received a review of the taxation and levy rates for the Municipality from 2011 to 2019. Included in the file were the proposed rates for 2020.

The CAO included a breakdown of the draft budget for 2020 with pie charts and spreadsheets outlining the revenues, expenditures and capital expenditures in the budget for 2020. Council was content with the figures in the draft budget that was presented to them and had no questions for the CAO.

Co-Public Works Superintendents

Co-PWS Westerman reviewed his Water/Wastewater Report with Council.

The water plant was serviced on April 13th by Automation Now.

The OWWTC has extended all operator licence renewals for 6 months due to Covid-19 complications.

The new cash counter for the Rec Centre Snack Bar has been completed and installed.

One of the projection cameras in the Interpretive Centre has failed. Options for repair are being considered.

Several machines have been repaired over the course of the month.

Sidewalk sweeping took place throughout the community. The Co-PWS will be contacting Nipigon on availability of the street sweeper.

The lock at the landfill site has been cut with bolt cutters and broken into. Signs indicating that the area is under video surveillance have been posted and a trail camera has been installed.

The recent November 2019 structural inspection report for the Four Bridges in Red Rock was reviewed. The document stated that due to the loose post-tensioned rods throughout the longitudinal nail laminated deck, the bridge load capacity had to be lowered from 25/40/55 tonnes to 18/32/45 tonnes until the bridge can be repaired. JML is currently waiting on 2 quotes from Thunder Bay based firms to contract the work.

Community Development Officer

The CDO reviewed her written report with Council.

There have been no updates on most grant applications that have been submitted, including the Summer Student applications. Councillor Robinson ask the CDO if she had any information on a new grant program that allows students to volunteer in the community(the Beautification Committee was mentioned as an example) but still get paid through the grant. The CDO did not have any information on the grant but will look into the specifics and report back to Council on her findings.

The 75th Anniversary Committee has ultimately decided to postpone the 2020 celebration until 2021.

Good morning,

Attached is a Letter that Oakville Mayor Rob Burton wrote to the Federal and Provincial government in support of the foodservice industry for your consideration and use as a template for a letter of your own from your municipality. We are hoping for support from Heads of Councils across Ontario.

There was strong support for this letter from local businesses in Oakville, on social media and a local news website posted the letter in its entirety on its website: https://oakvillenews.org/oakville-mayor-advocating-for-restaurant-support-covid-19/

Please let me know if you have any questions,

Dear Prime Minister Trudeau and Premier Ford:

Thank you for the strong work your governments have done to address the COVID-19 crisis.

In addition to our own municipal revenue crisis which threatens our ability to maintain the services our residents and businesses and you depend on us to provide, the foodservice industry is in even more dire straits across Ontario. With little to no revenue, restaurant operators will be unable to pay rent and other fixed costs, forcing them to permanently close their doors before recovery can even begin.

We are encouraged by word that the provincial Premiers and Prime Minister are meeting and discussing options to address the need for up to three months of rent relief for small businesses that have been hardest hit by the crisis.

We mayors believe the Federal and Provincial governments can assist businesses to address the spectre of impending rent with the following essential steps:

- An immediate moratorium on commercial evictions
- A program of direct rent subsidies to businesses equivalent to the business's sales volume reduction
- Measures to continue throughout the recovery period to allow business to ramp back up
- As these measures have been for the greater public good, Government should compel landlords and banks to share the cost of the emergency measures. They should not be borne solely by the lessee.

Premier, you have been very clear in your public statement that you are aware of the crisis the cities and our businesses are facing. When we move into the recovery phase of the COVID-19 pandemic, Ontario will need every business, large and small, available to pull together, and cities able to provide essential municipal services that support the Province, its businesses, and Ontario's residents.

Sincerely,

Mayor Rob Burton, Town of Oakville

Subject: 2020 Day of Action on Litter Update Date: Thu, 23 Apr 2020 22:04:00 +0000

From: "Minister, MECP (MECP)" < Minister. MECP @ontario.ca >

To: "cao@shawbiz.ca" < cao@shawbiz.ca >

Good afternoon,

I am writing to provide you with an update regarding the Provincial Day of Action on Litter on May 12, 2020.

Nothing is more important than protecting the health and well-being of Ontarians. Since first learning of COVID-19, Ontario has taken decisive action to contain the spread of this new virus.

We have now reached a critical time in our fight against COVID-19. Every step taken by the province and every effort made by each of us to practice physical distancing are the key to our success as a province to stop the spread of this virus. We know that following the COVID-19 outbreak Ontarians will be eager to return outdoors; this will be a great opportunity to reconnect with nature.

In support of the effort to stop the spread of COVID-19 and help keep Ontarians safe, the Ministry of the Environment, Conservation and Parks will be postponing public and corporate cleanups until later in the year during Waste Reduction Week, which takes place October 19-25, 2020.

Of course, May 12, 2020 will continue to be the first official Day of Action on Litter. To mark this occasion this year, we will be focusing on raising awareness of the impacts of waste in the environment, and what actions each and every Ontarian can take to prevent, reduce and divert waste, right at home.

We ask that your municipality join this effort by sharing content on social media to profile what your city or town is doing now even during the COVID-19 outbreak to prevent, reduce or divert waste in your communities, and what local residents can do to get involved.

To help get you started, in the coming weeks we will provide a communications toolkit including photos and other resources to support educational activities and inspire individual actions on litter and waste now. A dedicated web page will also be available by May 12, 2020 to provide additional resources for the public.

If you have not already done so, please provide a contact in your municipality that ministry staff can reach out to with this information by <u>completing this form</u> by April 30, 2020.

In the coming months, as we approach Waste Reduction Week in October, we will connect with you again to obtain your support with:

organizing a municipal-led cleanup event
providing permits as needed to the public who want to do their own cleanup
identifying drop-off locations for collected litter

If you have any questions, please reach out to ActONLitter@ontario.ca.

Thank you for your support during this time.
