

Notice

The Township of Red Rock is appreciative of the fact that there has been a large amount of snow this winter season and is grateful for everyone's assistance in snow removal efforts.

However, pushing snow onto a roadway is illegal under the Highway Traffic Act, S 181. Please be advised that you may be ticketed for doing this as well as paying the cost to have the snow removed.

We thank you for your cooperation in this matter.

Township of Red Rock
